By submitting this form you are requesting an invoice for the above Requested Livescan FBI Enhanced Workstation with the selected option(s) above.

Once your submission is received, a PSC Representative will contact you to confirm the order and give you a final price with shipping costs included. Your payment options will also be discussed with you. We will also confirm that you have an established ORI number with the FBI. Once payment is received, your system will be shipped within 10 - 30 business days, depending on the selected package and availability from manufacturer. Our Livescan FBI Enhanced Workstations are operational the SAME DAY you open the box. Just open; call us; we will activate and remotely set-up your system.

Please email the completed order form to: [results@pscprotectsyou.com](mailto:results@pscprotectsyou.com) or fax: 505 243-8263.
